Customer Reviews

The calendar has saturday and sunday combined. Question: Why do people buy a page-a-day calendar? Answer: To write down things they need to do on each day. Do people not do anything on the weekends? No, they do more. Are saturday and sunday the same day? No that I know of.

I still go over tips from my 2005 tip a day calendar. They are very helpful.

My golf friends look forward to this calendar every year. Great gift!!

I have been ordering this calendar for my husband for years. I really don't know if he could live without it now. He loves the most useful tips. He's used quite a few while golfing. Thanks!
