## Customer Reviews

I purchased this as a Christmas gift. Every year I purchase the next year's calendar for my father. He forgets family birthdays but, add them to this calendar and he rarely forgets. The calendar is of good quality and cheaper than even WalMart. Love it.

3 stars not bc of shipping/bad service, that part gets 5 stars. But the 3 stars is more so about the product itself. I thought it would be a bigger calendar but its kind of small...Not sure if this has always been the standard size?

Like it. Didn't realise when I bought it that it is in English and French, as you can see in the pics i took of Jan to May. It wasn't described as such, but mehh, whatever.

As always very sexy but just tame enough for the garage or man cave. Perfect size wall calendar, day or the week boxes are just big enough for notes and reminders.

calendar was exactly what i wanted when i ordered it and received it within the time period that was given when ordered

Very nice. Months at the top of calendar grid in English / Spanish. Also days half in spanish eg. Mon/ Lunes...

I purchase this calendar for my nephew every year. He loves it. Good price and quick shipping on .

What can I say. My 20 year old nephew had it on his Christmas list. I gave it, he loved it....
