My Family And Friends (Copy And Cut)

Synopsis

'Festivals' and 'My Family and Friends' launch an exciting series of craft resources for children age 6+: over 25 templates in each book that you simply photocopy, cut and fold to create a multitude of books, cards, masks, models and decorations on a favourite theme. You can enlarge them, reduce them, copy them on plain or coloured paper, and because they are photocopiable, create them over and over again. Each template comes with instructions for the children to follow, which can be used to support literacy teaching; lots of ideas for decorating and developing the projects; and background notes on the themes. Paul Johnson's ideas are simple, original, guaranteed to enliven school projects and produce impressive results with minimum preparation.
