The Battlebots: Official Guide To Battlebots

Synopsis

Based on the kid-friendly and wildly popular Comedy Central show BattleBots, this is a photo-and-stat-packed official guide to over 50 of the most popular, most winning BattleBots. THE OFFICIAL GUIDE TO BATTLEBOTS--based on the Comedy Central show BattleBots in which customized robots built by contestants compete for supremacy in the BattleBox arena--is a handy insider's guide to the most popular BattleBots in each of the four weight classes (light, middle, heavy, superheavy). Fans can easily reference their favorite BattleBot, see its picture, and read a list of interesting facts and information. Over 50 of the most well-known and most winning BattleBots are featured. Facts listed include weapon power, drive power, special features, and more.

Customer Reviews

My 3 year old son is addicted to Battlebots. I bought him this book for Christmas. He has looked at it so many times, I'm buying another copy! He has memorized all the bots in the book and it is teaching him to read. If you want in depth information about over 60 of the bots, this is the book for you.

listed all battlebots around with descriptions and technologies. authors and teams listed and detailed. very informative alaround.love it completely

This book (2002) is so out of date it is funny. Most of the Battlebots described either don't exist anymore or are just not operating. My grandson was very disappointed in this book. Out of date. Don't waste your money.

My son loves it! Love BattleBots. He has built a full body spinner since receiving. And has encouraged his brothers also to build one.
