## Customer Reviews

Fox books are timeless and the best. My children and now my grandchildren love their Fox books...in fact, my children requested them for their children! The stories are wonderful - humorous, relatable to both children and adults, good lessons without being preachy, and just plain old FUN to share or by oneself.

The Fox books are absolutely wonderful for children in the primary grades! First and second graders especially appreciate Marshall's humor!

Great series! I typically read it out loud first then my 7 year old niece reads it back. The pictures are fun and the font clear and large.

My 7 year old son loves all the Fox books! He reads at least one Fox book every day. This book is another great book in the series!
