The thousands of children who begin ballet instruction every year (and the many who think they might like to) will love this wonderful introduction to ballet, with 42 fun pictures to color. The exceptionally clear illustrations – all presented in proper sequence – clearly depict everything that goes on in a beginner's class, from lacing up the ballet shoe to executing the perfect arabesque. Among the topics illustrated and described are proper posture, the importance of warm-up and stretching exercises, foot positions, and arm movements. Most important, dozens of basic ballet steps are shown in sequenced drawings.
