Very good resource for young reader eager to learn. Subject matter was appealing to young girl, repetition of vocabulary was a good teaching tool for sight reading

Very cute book and easy for my child to follow along to. She (my child) actually asked me to read it three times in a row. There are stickers in the back too btw!

my little five year old ballerina loves this! She is a beginner reader and this book is perfect for her. :-)

Great early readers book my daughter has really enjoyed it.
