Customer Reviews

I have never read a book or seen a movie about Anne of Green Gables but I am going to now. This activity book/dollhouse is so enjoyable to build that I am putting it together very slowly. This is like the very detailed punch out and put together books that I played with 30 and 40 years ago. It's pages are printed front and back so that you see a complete house inside and out. You even get to put walls in and an attic. It would be easy to assemble (with a little help) for a 7 or 8 year old but very fun for everyone above that age. I would recommend using a small diameter glue stick and let it dry before proceeding to the next step. Now I'm going to order another one for my older sister.

i cannot believe i found this on 15 years later. i remember someone gave this to me in grammar school and now having two girls of my own i cannot wait to built this with them. i did read the furst

book and saw the first movie and loved the story even more. i recommend this for anybody !! its a great rainy day activity or even during long winter !!

Came on time. Excellent quality.

beautiful condition
