Customer Reviews

Finally found the coloring books I like. Just started coloring 3 months ago and trial and error, these are the books for me. I have bought 5 of Angie's books and really enjoy them. They have the patterns I like.

Angie Grace designs are WONDERFUL - have several vols of them for stress relief and overall interest in this kind of Zen-ish artistry. Printed on very good quality paper (I use Pigma markers, gel pens and colored pencils, and it survives all of those!)

I love her patterns. The paper it's printed on is thick, unlike some other books I have have used in the past. The only drawback is markers do soak through, so I have to take the pages out. I wish

they would make these books perforated.

Beautiful patterns that are very relaxing to do. Adult coloring books are fun. I have found Angie Grace books by far the best in the market. And I've had a lot.

Fun adult coloring book, which will be one of many similar gifts for friends and family. I may keep one for me too!

Interesting patterns, with about the right amount of complexity to be relaxing.

I lovelovelove Angie. I have 9 of her books. They are the best out there.
