Books > Activities, Crafts & Games > Activity Books > Cut & Assemble

Customer Reviews

though the item is listed as used, that cannot be; it is a cut out book, staples may have been a bit rusted, but it didnt matter at all.

Love this product, came in great shape, I ordered it used and it look like new. The cardstock was a wonderful weight. Love Michael Grater's product. Would buy this again.

easy to put together. Works just fine on the model railroad.
