Customer Reviews

This devotional is a nitty-gritty really high impact family devotional. We are doing one "way" per week. It is well planned and well written. There are so many options families can do to dive in more if you have time. The coloring pages are in the book but there is also a separate coloring book that I bought since I have two kiddos.

I wish I had known that there are identical pages in the "24 Family Ways" Devotion book that could be photocopy. It is a nice addition to have these coloring pages during devotion time, especially for my littlest one who is 3.

Goes well with the devotion guide book. Coloring pages match the subject of the nightly devotions.
