## Customer Reviews

My six & eight year old daughters received these in their stockings! Already enjoying them. Not only are the fun, but a great way to learn Nouns, Verbs, Adverbs & Adjectives!

My daughter loves this book. She is a dancer and really enjoyed sharing it with her dance friends. It is definitely worth the money. They make great birthday gifts.

I bought these for my 11 year old daughter's sleepover party and they were a huge hit. The price was also a good value compared to buying them in the store.

Great Product. Nice gift for the grandkids. Quick shipping and well-packed. Will be a fun product for the kids to make up stories.

Exactly like I remembered them as a kid! Awesome Birthday present for a second grade girl! She loved the present idea!
