## Customer Reviews

I've been getting Luis Royo calendars for over 10 years. His artwork is beautiful in this calendar, but as the other reviewer mention, the paper quality has gone down significantly. It would be worth spending a couple extra dollars for better quality. I am taking away two stars for the quality

Great looking 2016 calendar. Love the artwork, 12 different artwork calendar, each breath taking. Ordered 4 since, can be taken apart (very carefully) and arranged them with your favorite image/months, and framing it on your wall. As always, Royo's artworks are beautiful.P.S. Posted same review from different buyer, was suppose to be for this one. There was two different identical link.

I was rather bored with the 2014 Royo calendar every month was very similar and I skipped 2015. So, I was rather excited to see a variety for 2016 and also sort of a mixture of his older style but still new-ish mostly (zoom in on the back picture). Basically you can decide for yourself if you'll like the art and I got this for only about \$10 so I can't complain too much. However the paper quality of the

calendar is too soft, once you take the cardboard insert out the pages buckle and crease. The image quality is okay if you are careful not to bend. But I will definitely not keep it after the year is over like I did older ones. I just don't think the paper would hold up. Too bad I would have paid at least \$5 for the extra quality but just get an art book instead.

The LAST Calendar It Was A Albino Princess Warrior She Is Frckn Hot And Sexy And Deadly,Smart To And She Still Is Though And Thats I Want For A Girlfriend And You Cann Google It To :)

The art is beautiful. The calendar itself is large, therefore you have some more space to write things into the boxes.

Christmas present for the wife. She is loving the art so far this year. Thank you for offering a great calendar!

My favorite calendar this year. Material is good. The art work from Luis Royo is always amazing.

Great calendar as usual! It came on time and loved the extra month ahead of January.
