2010 Barack Obama Wall Calendar: The Man And The Moment

Synopsis

The change has come. Celebrate the defining moments of President Barack Obama's inspirational journey to the White House and historic first year in office with this special commemorative calendar. "This is our moment. This is our time" to put our people back to work and open doors of opportunity for our kids; to restore prosperity and promote the cause of peace; to reclaim the American Dream and reaffirm that fundamental truth that out of many, we are one; that while we breathe, we hope, and where we are met with cynicism, and doubt, and those who tell us that we can't, we will respond with that timeless creed that sums up the spirit of a people: Yes, we can."

November 4, 2009, Chicago, IL, upon winning the Presidency of the United States

Customer Reviews

Turn around time was great! One for me and several others as gifts to friends and family. They loved them too!

I was looking for a this 2010 calendar with pictures of Obama, the picture are very clear and I like the setting in each photo

Great pictures and lots of room to make entries of personal events that are coming up. Well worth the cost!!!

I loved every month on this calendar and it always serve as a collectors item once his presidency is

done.

I really got a good deal for this stylish Obama wall calendar considering that it was way way cheaper than its likes in other stores and was spanking new. I had purchased a similar kind a year or so ago and wanted the exact same type although a 2010 one. And surely I can attest to the fact that it didn't disappoint me; I stand by it, I guarantee. Thanks for such a wonderful shopping experience!

I bought three of these calendars. One for a Christmas gift for my Mom, another for a Christmas gift for my cousin and her family, and one for myself. We are all Obama supporters, so it was a nice thing to have. Everyone loved their gift.

I have been very pleased with my product. I also was very pleased with 's quick response with the handling my request. I definately will use again.
