Dog Heaven

Synopsis

In Newbery Medalist Cynthia Rylant's classic bestseller, the author comforts readers young and old who have lost a dog. Recommended highly by pet lovers around the world, Dog Heaven not only comforts but also brings a tear to anyone who is devoted to a pet. From expansive fields where dogs can run and run to delicious biscuits no dog can resist, Rylant paints a warm and affectionate picture of the ideal place God would, of course, create for man's best friend. The first picture book illustrated by the author, Dog Heaven is enhanced by Rylant's bright, bold paintings that perfectly capture an afterlife sure to bring solace to anyone who is grieving.

This book should help any very young child who has lost or is about to lose a pet. Actually it might be a good idea to read while while the pet is still healthy--parents, too!Although there is a lot of imagination (as to how God runs this heaven, dogs sleeping on clouds, etc) in this it is done so well it makes us all feel good.I would like to take exception to that one professional reviewer's opinion re 'faulty theology' that pets might visit here from the other side because they don't have an afterlife. If she thinks that animals don't continue after death she might consult her Bible, which says something quite different. They do. And some do, indeed, 'visit' with their people (a book I

recommend below goes into this in detail). Dog Heaven presents this in such a way that will not frighten children at all. It will make them hopeful. Perhaps Cynthia Rylant had this experience, or knows someone who had. Although I take the position that people and their pets alike (as well as animals in general) will share the same Heaven, I can see no harm in a dog or cat heaven premise for young children. Parents can always say the child can visit, or that the animals can come and live in 'people heaven' if they wish to. I would also at this time like to recommend two books: The first is an absolutely heartwarming book, **FOR EVERY DOG AN ANGEL**; we learn that at birth a puppy's angel comes to stay with it throughout its life. When it is lucky enough to bond with its "forever person" the angel feels great joy. When it is time the "forever dog" passes over its angel that becomes its "angel bridge" to the other side.
