## Customer Reviews

You do not have to follow what the book says to look for because there is the full 150 original pokemon on the page. Have fun and look for your favorites too! My fiancée and I played: Look for the Raichus.

Find Pokemon II is a fun way to encourage young readers. It makes your child use his/her perception skills to find these favorite characters and read a story along the way. Drawings are colorful and full of activity.

Brings back childhood memories, Thanks!
