Seek And Find Book For Toddlers

Synopsis

Toddlers can be a handful so if they become too much to handle, throw them with this interactive seek and find book to entertain them for hours on end! This tot-targeted book is designed to encourage your child to practice his pencil hold, creativity and concentration. Object identification is a common by-product of seek and find books like this.

Customer Reviews

There is more matching than seek and find. It was ok. In fairness I was looking for something like "Highlights Mag" but more applicable to toddlers. This didn't quite cut it but maybe we'll go back to it down the road.
