## Customer Reviews

If, like me, you do a double-take when you see a used book on for a penny....."one cent, REALLY???".....You will stand up and shimmy when you receive Jonny Hannah's book, "Hot Jazz Special". The emphasis here is on "special" -- Stacked/fabulous/outlandish hand lettering and neon-fresh colors and graphics. The spirit of this book absolutely radiates with energy, hipness, joie de vivre, finger-snapping fun, and spot-on smart graphics and illustration. This is a love poem, on high volume, to the world of jazz and its most noted practitioners. And, at this price, you could buy up a flock of them, and share them with your music-loving friends. As if you needed another excuse to order, this beautifully-designed book also includes a cover that just happens to be an amazing Hannah-designed poster. Hotcha-cha!
