Making Music: Piano

Synopsis

A primary prelude to the piano, including what the keyboard instrument looks and sounds like, basic instructions on how to play it, and the kinds of music that feature it. Making Music offers young readers a chance to experience a variety of musical instrumentsâ before they even play a note! Labeled images assist in identification of common components as this series describes the featured instrument's sounds and workings, including basic instruction on how to play it. A brief history of the instrument across world cultures puts it in context with others of its kind, and each title concludes with a spotlight on a famous musician who plays the instrument today.

Book Information

Lexile Measure: 690L (What's this?)

Series: Making Music

Paperback: 24 pages

Publisher: Creative Paperbacks (August 19, 2014)
