What better way to pay homage and respect to the year of the Horse with using a calendar to celebrate the modern equivalent of such a magnificent being... the car. This has to be one of the nicer calendars on cars I've had own by so far. This has all of the top most expensive cars in market today. It starts off with the Bugatti Veyron (my favorite sports car) and ends with the Mercedes-Benz SLS AMG... gorgeous. The whole calendar photos are excellent taken to amplify sexiness on these metalwork art pieces. I also love how big this calendar is with each date given 1.5 inches square so there is plenty of space to write important appointments, course work due dates, birthdays, and other important events in ones life which can be difficult to tract with so much on and in ones' mind. I love it. It also includes a mini set of months on the last page for the year 2015. For car fans this calendar is a porn magazine in disguised.

For those who day dream about sport cars every day!Beautiful pictures of the dream machines on your wall!Definitely recommend it!

Met all my expectations!! Great photo quality with some really nice exotic cars from around the world. Highly recommend to anyone.

I purchased this for my 15 year old son. He loves these Dream Cars. He likes this calendar a lot. Good purchase. Fast shipping!

Colorful, fun and functional! I gave as a Christmas gift to my son. I would order it again. I received it very quickly too.

She loved it she is 15 and loves fancy cars I would love it if she could afford one when she gets her license.
