American Muscle Cars 2016: 16-Month Calendar September 2015 Through December 2016

Synopsis

A muscle-car calendar unlike any other, featuring the rarest vehicles on Earth. American Muscle Cars 2016 features 16 months of brutish machines from America's fastest decade, captured in all their glory by renowned auto photographer Randy Leffingwell. Showcasing some of the rarest of the outrageous class of vehicles that exploded onto the scene in the 1960s, this calendar includes super-high-performance offerings from GM, Ford, Dodge, and Plymouth. In the 1960s the United States' evolving V-8 engine technology was met by 75 million baby boomers, all with a need for speed and all entering the auto market at the same time. The result was the golden era of factory muscle cars, brutish machines that were unlike any the world had ever seen or will likely ever see again--they truly embodied the "sex, drugs, and rock-and-roll" generation. For some, even a factory muscle car wasn't enough. Detroit automakers responded, secretly building some of the most outrageous muscle cars ever created behind their superiors' backs and ultimately creating some of the most powerful vehicles ever sold to the public. Don't miss the 16 months of the wildest age in American automotive history.

Book Information

Calendar: 24 pages

Publisher: Motorbooks; 16m Wal edition (August 31, 2015)

Language: English

Customer Reviews

Really cool calendar! Nice pictures of the muscle cars. The calendar is not cheaply made and is of heavy weight material not cheap and thin. Very happy I got it. I ordered 2 and gave the other one to my brother who thought it was real nice also.

The muscle car photos in this calendar are beautiful -- Randy Leffingwell captures these cars really

nicely.

Received what was pictured! Boyfriend will love it.

Cool calendar. A few too many convertible cars for my liking but my son loves the muscle cars.

This was a Christmas gift for my Uncle. He is very happy with it.

Guys at work love this calendar. i brought it in for them

Just as I expected. Good looking group of classical cars.

Nice, but high-priced cars, not the usual muscle types.
