Customer Reviews

This calendar provides everything I love about Muscle Car Calendars. The cars are photographed (in their natural habitat) in drive ways and on roads and, an added bonus, each car has a brief history about it on the calendar as well. Few calendars are like that. Very happy.

Every guy that has come in and seen it want one for themselves ! Big hit ! Great photos of some really nice cars. Everybody likes old muscle cars, so that makes for a super calendar !

xmas present. great.

Not as glossy and colorful as the cheaper ones I have bought at those small kiosks in the mall.
Paper is thin and easily ripped. I won't buy another one.

This is a very nice calendar and it is informative on the cars that are pictured. It came in a box and not rolled up so it was in perfect condition.

great pictures of great cars!! Nice sidebar description on each month for the car pictured.

Beautiful photographs and descriptions of cars. A good size and appears to be sturdy.

I like the photography but also the historical information that accompanies each car.
