Customer Reviews

The most awesome thing about this calendar is that there's a navigational chart as the background of the calendar. A really nice and unique touch for the many sail-boat calendars out there. We gift this every Christmas and it always gets a nice reaction.

I had learned of the Ferenc Mate Seven Seas calendar many years ago. It still amazes with the perfect pictures, thick, glossy medium and great layout. You won't find this at a calendar kiosk in the mall around New Years, so better order it here!

I get this calendar for my husband every year because he loves sailing, water and boats. This calendar has spectacular photos...so great that sometimes we keep them from year to year. This is a beautiful calendar and one you will enjoy.

I get this calendar every year. It's always very satisfying for me. Great ocean and boat shots from all

over the world.

This was purchased as a gift for an inveterate sailor. It is a beautiful calendar, and the recipient was quite pleased. I appreciated that it came well packaged, and arrived in perfect condition.

very colorful, beautiful pictures. love the details on the calendar pages. only suggestion would be to make an even larger calendar available because it's beautiful wall art.

This probably means I am old, but I cannot imagine not having a wall calendar. I get this calendar every year. The pictures are beautiful.

Dream-inspiring photos of beautiful sailing destinations. I like the background of paper charts for each month, showing where the place is.
