Good Dog Carl And The Baby Elephant

Synopsis

Beloved children's icon Good Dog, Carl has his paws full with a mischievous baby elephant who likes backyard wading pools, playgrounds and fruit stands! Since Good Dog, Carl was published 30 years ago the series has sold well over a million books. The appeal of the series lies in the nearly wordless narrative, the lovable and somewhat mischievous Rottweiler and the little girl he takes on secret adventures. These are all present in this wonderful addition to the series. Day's painterly skills are superb and her loving portrayal of the gentle dog and his trusting companion are as winning as ever, and this time an enterprising baby elephant joins the pair. This time Carl and Madeleine visit a children's zoo where they enjoy visiting various baby animals. When they leave for an ice cream cone and a walk around the neighborhood, the little elephant follows them and shares their adventures.
