Customer Reviews

I ordered this book for my 8 year old granddaughter. She is not a Star wars fan, so was not really interested in reading about George Lucas. I told her that Mr. Lucas is an important part of popular culture, therefore, she should read this short biography so that she could participate in conversation. After she finished it, she came to me citing interesting facts she learned. Win, win.

Our 3rd grade son used this book to do a book report with. It was great because it had the different parts of his life that he needed for the report. It also had some fun facts at the end that he enjoyed.

I really like this book it really brings out Star Wars and George Lucas I think that I will read the book again in a time of well wanting to read it again I hope more people read this book and watch every movie I hope you read I am George Lucas.

Very pretty and detailed illustrations. Interesting bio of a creative person who has made great movies that have enriched our lives.

This book talk about both movie. I think it is very cool and you should get it. Also talks about not only his movies it talks about his life to!

Perfect book for young Star Wars fans. Well written, this book gives young readers an inside look into the life of George Lucas.

Son needed a biography subject for school and this book was perfect for a third grader who loves Lucas' movies.

this was a really good book. I have learned a lot about I am George Lucas than who is George Lucas. he is a billionaire. I am a big fan of star wars. I will watch the sequel trilogy of star wars and read the sequel trilogy. I can't wait to watch the sequel trilogy next year (episode seven). I am going to watch revenge of the Sith over and over again. I really like the movies that George Lucas made. George Lucas, you are the best person in the world. if you admit it then read this book!
