Customer Reviews

I got this book for my 14 year old cousin to prepare her for the high school reading assignment on Othello. She was able to use this book to help grasp the story before reading the book required by the school. She got an A on her test so I have followed the practice of getting the graphic novel, on a Shakespeare play, first for her, then have her read the play in the full text format.

Everything this Goodwin guy writes is soooo clever and amazing and I can't put it down I just read it and and read it and read it and I think that if you like Shakespere and comic books than you can't anyone better than this othelo one. Theothers one is good to!
