Twelfth Night (Picture This! Shakespeare)

Synopsis

The Duke of Illyria hosts a wedding party in his palace garden. But which fair maiden is destined to become his bride? This comedy of errors is filled with wit and laughs. Shakespeare's immortal dramas are now available in illustrated form for classroom use! This revolutionary way of introducing the timeless comedies and tragedies of the Bard of Avon combines the art form of the graphic novel with written passages taken directly from Shakespeare's texts. Children first studying Shakespeare are sometimes intimidated by the difficulty of his language. They will often miss the excitement and suspense in his story lines and the fascination of the wonderful characters he has created.

Approaching his plays in the form of graphic-novel-style picture stories, supplemented with excerpts from the original dialogue, can be a young student's important first step in truly understanding and appreciating Shakespeare's masterpieces. Preceding the action of each play, these books offer brief summaries explaining what the play is all about, followed by illustrated casts of characters, each character shown with a brief descriptive caption. Supplementing each title in this series is a separately available teacher's guide that suggests topics for classroom discussion and advises on imaginative activities that fit the classroom environment and coincide with the five acts of each play.

Book Information

Series: Picture This! Shakespeare

Paperback: 64 pages

Publisher: Barron's Educational Series (March 1, 2005)

Language: English

Customer Reviews

Its more juvenile than I expected it to be a very good learning book. I gave it to my ten year old and he's learning it now
