Customer Reviews

Have been buying this calendar every year for the past dozen years or so. It always features beautiful artwork, along with enough space to write appointments, etc. If you like astrology, this is the best calendar on the market.

What a beautiful, motivating and cosmic calendar. Have ordered several as gifts for Leo's and my Scorpio self. I'm sure I will buy more for my friends as holiday gifts.

Filled with Magical art, unearthly renditions of celestial beings, by none other than our mighty, prize-winning NW artist, Cynthia Sheppard.

The drawings and photography are gorgeous--have been hanging one in my office since about

2000.

Gave it to my mother for the coming year cause shes getting really into the zodiac now

Great astrological calendar. Have used it for years!
