# How To Build A House: A Colossal Adventure Of Construction, Teamwork, And Friendship (Technical Tales)

## Synopsis

Learn about home construction and teamwork as three unlikely friends work together to build a miniature house! *How to Build a House* continues to follow the adventures of the three unlikely friends--Eli, Phoebe, and Hank, as they take on their latest engineering adventure, building a house! Follow the trio as they learn about how a house is constructed, from the foundation to the rafters. Detailed diagrams and illustrations help children and their parents visualize and conceptualize real-world home construction. Through hard work and preservation, the three friends learn the ins and outs of architecture and the benefits of teamwork. Filled with high-tech, realistic diagrams, *How to Build a House* provides children with a basic introduction to how a home is built from the ground up and encourages their curiosity to dream big.

## Book Information
