Forever Young

Synopsis

Since it first appeared on the 1974 album Planet Waves, "Forever Young" has been one of Bob Dylan's most beloved songs. Now award-winning artist Paul Rogers gives us a new interpretation of the lyrics. With images inspired by classic Dylan songs and pieces of his life, this is a bold and touching tribute to an anthem whose message will always stay forever young.

Grade Level: Kindergarten and up

Customer Reviews

This book is wonderful! The illustrations are beautiful and the message is soulfully appropriate for any child, boy or girl, regardless of age. The book is an illustration of Bob Dylan's song, Forever Young. The song is a beautiful blessing: May God bless and keep you always, May your wishes all come true, May you always do for others And let others do for you. May you build a ladder to the stars And climb on every rung, May you stay forever young, Forever young, forever young, May you stay forever young. May you grow up to be righteous, May you grow up to be true, May you always know the truth And see the lights surrounding you. May you always be courageous, Stand upright and be strong, May you stay forever young, Forever young, forever young, May you stay forever young. May your hands always be busy, May your feet always be swift, May you have a strong foundation When the winds of changes shift. May your heart always be joyful, May your song always be sung, May you stay forever young, Forever young, forever young, May you stay forever young. The

artwork is beautiful to look at, so well done, and the book itself shows the work in vivid detail. It's definitely a high-quality keepsake. The back of the book talks a bit about Bob Dylan's life and the author goes thru each illustration and points out the meaning behind some of the details on each page. He also says that if we listen to Dylan's music, we will discover more information creatively tucked away into each page. This allows for discovery and learning (for a bit older child). How marvelous, lovely and fun!
