Customer Reviews

My 5 year old daughter has a fascination with Mount Rushmore, so these books were pretty much a must. I thought they were going to be a bit over her head but the format and verbiage is just about at her level. She finds interest in the story behind each face on Mount Rushmore. They are a bit long for her, so we read them a few chapters at a time, but the interest continues.

Great set up books! My kids are reading the books before a trip to Mount Rushmore, many interesting facts that I was unaware of.

Great series! My son loves the presidents and this was a nice set to get him. He couldn't wait to read them all!
