The Cat In The Hat Songbook

Synopsis

Sing along with this gem from Dr. Seuss! This classically wacky songbook with lyrics by Dr. Seuss and musical score by Eugene Poddany contains 19 unforgettable songs for the beginning singer. There are lively songs like "Plunker Plunker" and "The No Laugh Race," bedtime songs like "Lullaby for Mr. Benjamin B. Bickelbaum," and just plain silly songs like "Cry a Pint." With a sturdy binding that opens flat for easy use, and simple piano and guitar arrangements, The Cat in the Hat Songbook is truly something to sing about! Available for a limited time with a 50th-anniversary burst printed on the front cover, this is an ideal gift for Seuss fans and music lovers!

ME TOO! I'm 33, and that's EXACTLY how I learned pints, quarts, and gallons! And there is no better silly song for camp dinner than Super Supper March. Two Legs, Four Legs is a perfect thing to sing to baby while changing a diaper... and my kids always crack up when we sing the No-Laugh Race! And for the 6 year old who's just lost a tooth, try In My Bureau Drawer. I wish I could get my hands on the record, put out in '67 by RCA! (PLEASE SOMEBODY, persuade them to re-publish it! It would be a real hit!) This is a real gem! The songs have the most interesting harmonies, so appropriate to all the crazy words Seuss is famous for. I showed my copy to my son's music

teacher, and she fell in love with it.

Yes, I still know all the words to "My Uncle Terwilliger Waltzes with Bears" even though I'm 34! For years brother remembered how many pints were in a quart, how many quarts were in a gallon, by singing "I'm So Sad I Could Cry a Pint." This was my favorite childhood book (and record) and I'm thrilled to see it's still in print. I highly recommend it for children...and someday I'd like to see an alternative rock tribute album to the amazing songs here!

What a treasure this books is! The songs are fun and easy enough for my kindergarten class to learn quickly. Most songs will be familiar to anyone that has seen a Seuss cartoon and that would be half of the known universe.

I know this music since the 60's and 70's when I was bringing up my children. The book gives the lyrics to all the songs plus the sheet music if you want to play it on piano or guitar. The kids loved it then and now the grandchildren will have a chance to love it too. The music is also available from on CD (very expensive) or on cassette(cheap).

I read a couple of songs from "The Cat in the Hat" about 20 years ago. Since then, I've been looking for the book. Got it, at long last! And I find the songs as fun as they seemed to be back then. What would make me totally happy would be a CD, but I have not found one to buy, alas... the link provided by an client shows "Not In Store". Well, one cannot have everything, I suppose... But I sincerely recommend the book to All Good Friends!

This Dr. Seuss Song book came in good time and is in very good condition. I am very happy to have found it and that it is in such good condition. My daughters love it. I am very pleased.

I didn't know such a book existed before shopping on . Book was in EXCELLENT condition, great discount, and my students have thoroughly enjoyed the songs I've taught them.

Was looking for some music to play for a Cat in the Hat Theme and this was perfect. Book in excellent condition!
