Child's Play Mazes: Animal Adventure Mazes

Synopsis

With their appealing animals and exotic habitats, these four-color mazes are a real treat for very young solvers. Artist Lyn Martin creates beautiful mazes from the most unlikely designs--the markings on a giraffe, or cloud patterns in the sky. Her work, also featured in the National Wildlife Federation Magazine, will delight first-time maze sleuths as they help a baby wolf find its way home to Mom, guide a camel to a desert oasis, or lead two stray giraffes to the herd. This is a welcome addition to Sterling's best-selling maze series.

Customer Reviews

If you're looking for the perfect 'little' gift for Christmas, this is it. Illustrator Lyn Martin has created wonderful mazes that are a delight to look at and a joy to complete. Though rated for kids up to 9, a few of the mazes will challenge older children as well. Buy this one!

We looked at several different maze books before settling on this collection - and were very satisfied with the book when it arrived. The mazes vary from simple to more complex but none are too much for a young child (I'd say about 8 years old). Beautiful artwork throughout. Highly recommended.

Ordered this book for my son who loves mazes. I was worried that it would not make it on time for his birthday but I was pleased to receive it in a few days. I had ordered 3 other maze books as well

the same day and this seller's book was the first one to arrive. Would definitely buy from this seller again.

.... we almost hated to write in it. But the kids did enjoy it. A real maze lover could probably finish it in a few sittings, but we use it in an activity bag we keep handy for long car rides, sermons, etc. so it has lasted us a while.
