Customer Reviews

My two sons love this book. They are 7 and 4 (almost 5). My 4 year old loves mazes and sits for long periods of time studying the mazes and determining where the solution is. Of course the dinosaur theme is popular with both of them!

My six year old loves mazes and dinasours, this book covers both for her. A few of the mazes were a bit confusing even for the parent, but in general it was a fun book for her.
