## Customer Reviews

This is one of my first "e-books", and I am getting used to this new kind of book. My Prayer Journal is really filled with short thoughts and Bible verses to help encourage NOT ONLY children (but adolescents, and adults, and elder people, too!) to journal their thoughts and guide them in developing a regular prayer life. It includes blanks to guide prayer. The book also has fun illustrations filling the pages, making this an inviting and friendly book for kids (boys! not only girls!) ages 7-100. As I've told, my version of the book is a "kindle" one and unfortunately I can't use it the way I wanted... But it is a good book.:) I recommend and give it a Five Star!

I bought this for my eight year old daughter who loves to read and have her own devotions and she just loved it. She especially enjoyed having her own big girl devotional.
