## Customer Reviews

Wanted a smaller calendar to put on the side of my fridge since that is the only place we can hang a calendar in the kitchen. First perfectly. Love the little sayings each month. If you need a smaller calendar, this will work.

I purchased to use as a family calendar that hangs in our pantry, but I failed to read that it said mini. I like the sayings and it works till I find a larger one.

Love this calendar! I have it in my office at work, and the quotes are amazing

Love this calendar and the sayings inside..Nice size for a small area.

This was bought as a gift for a coworker. She absolutely loved it.
