Customer Reviews

I am retiring from my job of 26 years in December so I wanted to use a special calendar to count down the days. This one does not disappoint with bold, colorful art work from Derek Riggs spanning from first album artwork up to "Brave New World". And although I am sad that my days here are dwindling I can't wait to flip to the next month to see the stunning artwork of one of rock's truly great album cover artists! Up The Iron's!!

Awesome art work! Super cool calendar!

perfect gift for a heavy metal fan
