## Customer Reviews

Great book-I admit I personally learned some things about tools from this book. Made of thick foam with cardboard over it, comes with little tool shaped books that pop out and explain what each tool does. We enjoy this book very much.

My son loves it so much that this is the fourth one we buy - if he can't find Felipe(the yellow screwdriver), the shrieks are deafening.

My two and a half year-old grandson loves Manny's tools. He takes them out and lines them up. This book is his favorite.

Nice book. Fast delivery. Thanks.
