Customer Reviews

I'm giving this five stars because I love the illustrations and the concept so much (and my three-year old LOVES it!). I totally wish I had this growing up. My ONE complaint would be that once the pieces are loose and in use it is very tricky to get them to all fit flat in the box when you put it away...my daughter can't open the drawer on her own (not always a bad thing, but doesn't allow for complete independence with this), and often it takes me quite awhile to tediously puzzle the pieces together so that I can get the drawer to close. Ultimately we keep the pieces in a large ziplock, which defeats the purpose of it not taking up too much space to store. Anyway, not a deal breaker, but worth mentioning. All-in-all, the characters and scenes are beautiful and inspire a lot of creative play.

Grand children enjoyed this .

Amazing!
