# Band Instruments - My Little Sound Book (My Little Sound Books)

## Synopsis

This book introduces some great first facts about five instruments—the drum, the flute, the saxophone, the accordion, and the cello—accompanied by bright, colorful photographs of each instrument. A great noisy early learning board book! Christophe Boncens started his career as a graphic designer. Ten years ago, he decided he wanted to create stories for children, both as an author and an illustrator.

## Customer Reviews

I'm a musician and I bought this for my friends' 1-year old, to start him early. He loved it! The sounds are great! The book is thick but it only has a few pages---the rest of the depth accounts for the electronics required to play the sounds.

My daughter loves these books, and this one was no different. I subtracted one star because the sounds on this one are significantly less loud than the other instrument sounds book I have from this company.

Did not work on arrival.
