## **Customer Reviews**

I buy this calendar every year for my kitchen. I love seeing the cheery illustrations and recipes whenever I walk into my kitchen. I only give it 4 stars this year because I was disappointed to see that, at least one of the illustrations is a repeat of last year.

This is another one of my favorite calendars!! I buy 6 of them every year to give to family and friends. The pictures are adorable, colorful, fun to look at and the recipes are yummy. And this too has high quality paper and nice size squares to write in

This calendar is just as cozy, and inviting as the Gooseberry Patch cookbooks! The artwork is bright and cheerful and the monthly recipes are a great inspiration for trying a new dish. Order one, I think you'll love it!

I buy the Gooseberry Patch wall calendar every year. I love it! The recipes included are always good and the design is magnificent.

Buy this every year. I love the quaint illustrations. It's a "happy" calendar.

Buy one every year for the wife as a Christmas Gift! She says can't live with out it!

Everything from Gooseberry Patch is excellent!
