# Coffee 2016 Deluxe Wall Calendar

## Synopsis

Dan DiPaolo hopes his art helps bring people together. The best way he knows to do that is through laughter, which is why he puts a little whimsy in everything he creates. Dan's art inspires not only smiles, but the desire to share the good feelings that come from them as well. A different piece of coffee-related art on each of its sixteen large monthly planning pages adds a decorative touch to this perky tear-off calendar pad that's the right size for a kitchen counter or office desk.

## Customer Reviews

This is a fun, overly dramatic, HIGH QUALITY coffee calendar. It came in a matching envelope in the same high-grade paper, and the envelope was so nice I told my husband I felt like I should save it because it felt too nice and too pretty to throw away. I guess that's a waste of paper, but it sure felt pretty getting to open it. Each month I feel a bit giddy getting to turn to the new month and then wait for friends to see the newly unveiled image and often quirky text for the month.

I have bought this calendar every year for my daughter. This is such a nice sturdy calendar with large squares to write in. Pictures are painted with coffee. It comes in a nice gift envelope. I always look for Dan DiPaolo. Usually the first gift I buy because I know it is great quality.

This is a beautiful calendar with excellent quality. Unfortunately it is bigger than specified and will not fit on my cabinet. If the description was accurate I would rate this calendar a 5+.

Great calendar with simple coffee-related pictures perfect for a kitchen. Monthly blocks the right size for noting dates and birthdays. Very impressed with the quality and the price.

Second year buying this, it's adorable and whimsical- in a grown up kind of way. Nothing bad to say, it's everything I'd want for a kitchen calendar.

Wish it at least had January 2017. Having for months of the previous year isn't particularly helpful.

Love this calendar almost as much as I love coffee, ok maybe not that much. But it is very nice.

I love these calendars, get one every year. The pictures can be framed separately for artwork.
