## Customer Reviews

This is a really beautiful calendar. The pictures are stunning and all have a matching quote from the book. The lower part of the calendar continues the Harry Potter theme including small pictures of things like galleons and wands. Two of the best pictures are of Dumbledore visiting Harry in the infirmary & Harry's first flying lesson, but they're all fantastic. The calendar blocks are a very light tan color and will make anything written on them very easy to read. A great purchase for any Harry Potter fan.

This calendar is a great one. It has great pictures of the motion picture; the great hall, Gringott's Bank, the library, Madam Hooch, Professor Quirrell, Hagrid, Dumbledore etc. and in the photo appear lines about the picture taken from the book. It's a great gift for birthday, holiday or whatever reason for a great Harry Potter FAN.

This calendar is for all Harry Potter fans. It has an old, kind of wizarding background on each page. The pictures capture exciting moments and leave you wanting to see more action. The colors of the calendar set a calm and relaxing mood. For each day, there is a box with an old-stone-wall

background. There is plenty of space for you to record all of your appointments and dates. The boxes aren't enormous, though, so don't think that the boxes look ugly. If you're a Harry Potter fan or if you are a lover of "\*magic\*", then i suggest this incredible calender.
