Customer Reviews

I am very pleased with the Lego Ninjago book. My oldest son, 8, recently discovered Ninjago DVDs and loves watching Ninjago. He has a moderate reading disability as well as slight dyslexia and attention deficit disorder. He struggles with reading as usually it is a fight to get him interested in reading at all. This book piqued his interest right away. There are pictures but not an overwhelming amount. There are a lot of words but only a few he has needed to ask how to say or the meaning. We are all very pleased. Thank you!!

Arrived on time and as described.

the book was good,although it could be better,it is not that adventures but i suggest u to buy it it is pretty good

My 6-yr old son loves these stories.
