Paperfolding (Step By Step (Heinemann Library))

Synopsis

Packed with stunning ideas and instructions for many different crafts and activities, each book in this series contains everything needed for these craft projects—necessary materials, techniques required to build up skills, and specially selected projects showing how to create a range of decorative and useful items. Featuring crafts inspired both by past and contemporary styles, these books have colorful, step-by-step photos to illustrate every stage of the projects that use materials that are inexpensive and easy to find. With easy-to-follow step-by-step photographs and simple instructions, this resource shows how to make a spinning windmill, a twisted pot, an animal mask, a pleated picture frame, a glider plane and more. This inspiring and colorful book contains nine original projects and other great paperfolding ideas. --This text refers to an out of print or unavailable edition of this title.
