## Customer Reviews

This is the 8th year we have ordered this calendar. We order two every year from and we are always thrilled with the quality of the product and the quality of the pictures. They are such a thrill to see every day for a full year.

I've ordered these for about 10 years. I love the catboat on the front cover this year. The rest of the pics / months are beautiful. 4 of the months are non-sailing rigs, but all beautiful boats.

This was given to a senior, ex-Navy man residing in an Adult Family Home. It reminds him of the ocean, being on ships and promotes him sharing his war-time stories (Korean War & World War II). Thank you.

Ever since we first saw this calendar we have been ordering a new one for each year. They are a

continual source of enjoyment to my husband who loves to sail, and has a particular fondness for wooden sailboats.

It wouldn't be Christmas without the next year's Wooden Boats calendar for my husband. Gorgeous photos as always. Right now he has 10 calendars up in his workshop just for the images. Someday he will build one of these boats. In the meantime, they keep him company.

Because it has fabulous pictures of the most beautiful boats anywhere. It wouldn't be home without a wooden boat calendar on the wall

we get one of these each year that we can, they are a wonderful way to get thru those dreary, non-boating months

The photography is beautiful, and the variety of wooden boats included is exceptional. I look forward to seeing the new calendar each year! A perfect holiday gift for boat lovers.
