Customer Reviews

Too difficult to follow for kids aged 8-10; they got frustrated and quit after a matter of minutes. Maybe older?

Looks just like I expected. Our 8 year old grandson loves to draw. This forms the sports figures one easy step at a time.

When buying Christmas gifts, I was happy to find these. Easy to follow for middle aged kids, and not expensive for me!

My students love this book. They find the figures quite easily to draw.

My grandson loves to draw and he loves football. He liked the book.

the daughter really finds this helpful in her drawing
