How Do Dinosaurs Go To Sleep?

Synopsis

With more than 14 million books in print, the How Do Dinosaurs... series is a huge hit all over the world. Humorous paintings of oversized dinosaurs with human parents make this an irresistible book for sharing. And we all know that when parents are ready to say good night, it turns out that sometimes little dinosaurs have other ideas! Laugh and smile as the dinosaurs try everything to avoid bedtime -- from hiding under the bed, to screaming no! -- and then snuggle in as all the dinosaurs show they really know the right way to go to sleep -- a bath, a story, and a good-night kiss! Brimming with humor and the familiar antics of this beloved series, here is a playful bedtime board book for every sleepy little dinosaur.

My kids love the "How Do Dinosaurs" books! This one wasn't a disappointment. :) My son asks me to read it to him every night before bed.

So cute! I bought it for a friends son as I think this is one of the best book series
