Warriors #5: A Dangerous Path (Warriors: The Prophecies Begin)

Synopsis

Join the legion of fans who have made Erin Hunter's Warriors series a #1 national bestseller with new editions featuring a striking new look! More thrilling fantasy, fierce warrior cats, and epic adventures await in *Warriors #5: A Dangerous Path*. ShadowClan has chosen Tigerclaw as their new leader, and Fireheart fears that this old enemy still harbors dark plans for vengeance on his former Clan. A mysterious threat has invaded the forest, placing every cat's life in peril. And Fireheart's beloved leader has turned her back on their warrior ancestors. Fireheart can't help but wonder if she's right: has StarClan abandoned them forever? Supports the Common Core State Standards

Grade Level: 3 - 7

Customer Reviews

I've read all the Warriors books, and loved every one. But I must say this is the best. Up until now, *Warriors #3: Forest of Secrets* was one of the greatest books I've ever read, but this passes even that up! First I have to say a few things about the series. When you see a virtually unknown set of books, especially by a rather unoriginal name like Warriors, you might wonder if the books are worth reading. These definitely are! All of them are very descriptive and really are what many English teachers might call "Good Literature". But, just to let you know, you HAVE to read them in order. So, anyway, about this installment itself... When I first started reading it, it seemed so similar to

the other books in the series that I thought this one would be pretty boring. But after the first chapter, I was proved very wrong. Dangerous Path actually turned out to be the most interesting and different of them all. Bluestar has completely lost faith in her clan, and in the warrior ancestors, so Fireheart finds himself pretty much leading Thunderclan. The relationship between him and Sandstorm is unsteady, and leads to some difficulties. But Fireheart's biggest problem is the mysterious dog--or dogs--that have invaded the forest. A young cat is horribly mauled, another killed by the dogs. Also Tigerstar, Fireheart's worst enemy is growing more venomous, and is planning horrible revenge on Thunderclan. The plot builds to an exciting climax, and a very sad ending. Along the way, the characters are becoming much more developed than they were in any other Warriors book, which is one of the reasons that this installment is my favorite.
