## **Customer Reviews**

If you like animals and princesses this is the book you want to read. It is full of excitement and it really exillerated me to be reading this book,

princess Amria, princess Lottie, princess Rosalind and princess Isabelle are great in rescuing animals in secret. Anyway I love this book a lot more in the series than the others .

My daughter loves this series of books. Who wouldn't love a group of brave and compassionate young princesses who rescue animals in distress? Perfect for first and second graders.

My six-year old granddaughter can't get enough of these. Reading them builds her language skills

in a way that is fun for her, which is just what you want.

My 7 year old daughter got a few of these for Christmas and loved them so much, she ended up buying the entire series herself! Very cute story.

My 8 year old has had a struggle to read chapter books. We found these and she has dived in head first. It has been wonderful!

5 year old LOVES these! Cute stories. What more could a little girl want-cute little animals rescued by a group of little girls.

I'd recommend this book to K-4 graders. I liked how the girls wouldn't leave the 2nd cub and just turn in the 1st one.
